

Partners for Conservation

Membership Form

Partners for Conservation works on issues of communication and collaboration to sustain the ecologies and economies that comprise our national working landscapes for present and future generations.

Become a member today for a minimum gift of \$50 and enjoy these benefits.

- A window sticker featuring the PFC logo
- Access to periodic surveys, quarterly informational sessions such as webinars and other interactive sessions with PFC board and staff on public-private partnership topics.
- Invitation to the annual meeting and reception with the board
- 10% discount on registration fees for Private Lands Partners Day and other PFC events that require a registration fee.

Partners for Conservation strives to build and enhance relationships key to the public-private partnerships required to conserve all that our working landscapes provide. You can pay for your membership by completing the information below and mailing a check or online at www.partnersforconservation.org. **Memberships are valid from January 1 to December 31 annually.**

Please send the completed form and check to: Partners for Conservation
